AccuSharp Knife and Tool Sharpener (001)

1-11 pcs
12-35 pcs
36-71 pcs
72+ pcs

Finally, a Knife Sharpener anyone can use!

No more messy oils or stones. In about 10 seconds, sharpen knives, (even serrated knives), cleavers, axes, machetes, and many other cutting tools. The large ergonomic handle fits either hand safely and securely. The full length finger guard protects your fingers. Sharpening blades are Diamond Honed Tungsten Carbide for years of reliable use. AccuSharp Knife Sharpeners will not rust and can be cleaned with soap and water or in the dishwasher. Replacement sharpening blades are available. Sportsmen, Cooks, Craftsmen, Gardeners, and many more, all need the easy-to-use, affordable AccuSharp line of knife and tool sharpeners.

AccuSharp Replacement Blades (003)

12 pack minimum
(2 blades per pack)

These blades fit all of our products except ShearSharp. We use only the finest American Made carbide available, and Diamond Hone it to a mirror finish for the best possible sharpening edge. The result is the finest line of carbide sharpeners on the market today, at any price. These blades are reversible for double life and most users report an average life of 5-10 years between replacements. Beware of other brands that use cheap imported carbide! Insist on AccuSharp!

SharpNEasy Two Step Sharpener (334C)

24 piece minimum

Now from the maker of the world's best knife sharpener comes another innovative tool that everyone can use - The SharpNEasy Two Step Ceramic Knife Sharpener. The ceramic rods, brown ceramic for coarse and white for fine, are exactly what someone

needs to care for and maintain their blades. The two stages allow for the proper angle every time by having two stationary ceramic rods molded into the base. The Two Step Sharpener also has over molded grips. The over molding process allows the user to have a comfortable and secure grip while sharpening.

AccuSharp Sport Knife (701)

12 piece minimum

Now from the maker of the world's best knife sharpener comes another innovative tool that everyone can use - The AccuSharp Folding Sport Knife. This tool is constructed of anodized

aluminum and stainless steel providing years of rust-free use. And with our patent pending wheel lock, you have the ability to open and close this tool with only one hand. The belt clip ensures that this knife will always be by your side when you need it. Our knife also has a glass breaker feature. And as with all our other products, it has a lifetime warranty.
